

Summer 2011 Foreign Language Classes

June 20 through August 28

Academy

"The art of communication"

Our newest approach to enrich your learning experience is Immersion Tours. We take our students and, sometimes friends who wish to study the language, along with their teacher for an intense study tour abroad. This is an experience our students have called, "Unforgettable!" Our teacher's say that, "It is the best reward you can give yourself." After you have learned the grammar, practiced the rules in class, gotten comfortable with others who understand you, this is the final test ... get imbued with the natives. Language, culture, people, culinary art; it all comes together on a memorable tour!

Please join our Summer Classes and learn how you can travel with us.

I - Students learn grammar and vocabulary to achieve a basic command of the language for a limited range of simple, routine, and familiar situations.

II - Students notably increase their vocabulary and grammar skills, will be able to absorb and process the general meaning of a conversation and respond using the material learned.

III - Students will be able to communicate competently and comfortably in many situations, learn to use different manners of expression; initiate, sustain, and conclude increasingly complex and demanding conversations.

IV - This level is inclusive of reading, writing and full understanding of the grammar structure; able to use the fine art of communicating by incorporating idioms, and customary expressions.

Virtual Vacations, More Than Immersion - your class will consist of language acquisition, cultural exposure, literature, and art of the country.

Immersion Plus, Cultural Diversity - your consultant will prepare you for your business trip or vacation. In addition to a crash course in the language, we will teach you the customs, history, interesting facts about the country you will be immersed in; where to go, what to see, how to get around, all the details to make your trip a smooth & stress-free experience. This class is customized to your specific travel needs.
