"The art of communication"

Our newest approach to enrich your learning experience is Immersion Tours. We take our students and, sometimes friends who wish to study the language, along with their teacher for an intense study tour abroad. This is an experience our students have called, "Unforgettable!" Our teacher's say that, "It is the best reward you can give yourself." After you have learned the grammar, practiced the rules in class, gotten comfortable with others who understand you, this is the final test ... get imbued with the natives. Language, culture, people, culinary art; it all comes together on a memorable tour!

Please join our Summer Classes and learn how you can travel with us.

Parent & Me - Come and enjoy learning a new language with your child... from 0 to 3 years. Starting here, you can assure bilingualism for your child.

Mini - Your child will be exposed to the sounds and rhythms of the language. Learn basic vocabulary about themselves, their environment, and use key phrases when prompted.

I - Your child will learn grammar and vocabulary achieving basic command of the language for a limited range of simple, routine, and familiar situations.

II - Your child will notably increase their vocabulary and grammar skills, will be able to absorb and process the general meaning of a conversation and respond using the materials learned.

III - Your child will communicate competently and comfortably in many situations, learn to use different manners of expression, initiate, sustain, and conclude increasingly complex and demanding conversations.

IV - This level is inclusive of reading, writing, and full understanding of the grammar structure; able to use the fine art of communicating by incorporating idioms, and customary expressions.

Weekly Immersion - when you cross the door, there will be no English spoken!
